

# yummy mummy mondays!

The first monday of every month is yummy mummy day from 10am to 3pm. Be sure to book your appointment well in advance to ensure availability!

Are you a new mommy? Bring your little one with you to daya spa while you pamper yourself with yummy eminence products such as vanilla, mango, wild plum and much, much more! Enjoy a body wrap, facial, pedicure, manicure or massage.

*Infants must be non-crawling and there will be extra staff to help care for infants during your visit to the spa. Strollers must stay at the front of the spa, but please bring blankets, car seats, small mats, etc for the floor in the room during your service.*
